phone and make plans for shipping their six cows home. They staid all night and until about 2 o'clock Friday.

Wednesday night we went to Scranton and brought Grandma back with us. The house is rented and she came up to see what had to be done so we went down Thursday and met Jim Mac Millan there, also the bride to be and decided to put hot water tank in and paper the kitchen and bedroom also both pantries. So Saturday we fixed up a picnic lunch and numerous things and Helen took us down and we papered until after dark. finished the ceiling and half of the side wall, we did so well we have decided to paper wherever wanted the firm has no union label
